To Whom It May Concern:

Please let this letter serve as my highest recommendation of Max Phelps and Rock Castles.

Recently I hired Max to design and construct a water feature at my home. Max was a consummate professional through the entire process. He was extremely conscientious in taking our thoughts and wishes and applying those to a functional and absolutely beautiful water feature.

I was very impressed by Max and his high level of ability; he definitely is a cut above the rest.

Please feel free to contact me if you would like to discuss my recommendation further.

Sincerely,

Steve Robinson
